Attention Full Time Employees:

AHI offers a high deductible HMO medical insurance plan to employees considered "fulltime" under the ACA. This plan will be a Bronze Plan under the ACA. The deductible for this plan, not counting preventive care (annual check-ups), will be $8,550.

This means that all doctor visits and other medical costs, except annual checkups, must be paid by you up to $8,550 per year. Beyond the deductible, all covered costs are paid at 100% by the insurance company. You will only be allowed to use the HMO's doctors. Your own doctor, if you have one, may not be covered.

This coverage is for the employee only. Additional coverage for family members may be purchased by you at additional cost.

Your cost for the Bronze Plan will be limited to 9.12% of your gross pay. This amount will be deducted from your paychecks.

Cost for family coverage will be provided to you upon request. Its cost will be substantially more than the employee only Bronze Plan.

You are not required to participate in this insurance plan.

If you are interested in this plan, you will need to reach out to Ana Lopez in order to begin the process of enrollment.

By signing above, you are stating that you have received a copy of the Bronze Summary of Benefits.

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.
This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.bcbstx.com/bb/grp/bb-bhsg10bavstxo-tx-2023.pdf or by calling 1-877-299-2377. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call 1-855-756-4448 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	$8,550 Individual/$17,100 Family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. In-Network Preventive Health Care services are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	$8,550 Individual/$17,100 Family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See www.bcbstx.com/go/bahmo or call 1-877-299-2377 for a list of Participating providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	Yes.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
